

SUNDAY SCHOOL | DISCIPLESHIP MINISTRIES INTERNATIONAL

Make the Connection

Make plans now to attend this year's Inspire 2019 conference. Inspire is for anyone who is involved, or would like to become involved, in the discipleship efforts in your local church. We are better together, so anytime brothers and sisters across the SC district can gather to be encouraged and inspired, we have the opportunity to draw closer together while drawing closer to God. Inspire 2019 will also be an excellent way for you to show appreciation for all the hard work our volunteer lay ministers put into advancing God's kingdom. More information and registration details are forthcoming. So keep an eye out! Until then, go and fulfill God's call to make Christlike disciples in the nations!
